

## MEE Net Position Announcement

### Program Coordinator

The Mekong Energy and Ecology Network (MEE Net) invites applicants for a **full time program coordinator** position with the **MEE Net Coordinating Team** with expected beginning date in December 2010.

**The Mekong Energy and Ecology Network** or **MEE Net** is a local NGO established in 2008, as a sister organization of Towards Ecological Recovery and Regional Alliance (TERRA), under the legally registered Foundation for Ecological Recovery (FER). MEE Net has been working on energy related ecology issues in the Mekong Region, focusing especially on electricity structure, governance and policy reform towards sustainable energy and local community livelihood sustainability.

The successful candidate is responsible for

- Collaborating as a key member of MEE Net to implement programs with MEE Net partners and energy-related organizations/networks in the 6 Mekong Countries.
- Pursing MEE Net activities according to MEE Net's Work Plan (September 2010 – December 2011) classified into 4 categories: **Research and Monitoring, Capacity Building, Advocacy and Networking and Communications**
- Duties will include developing communications platforms for information sharing, logistical support for capacity building programs, and assisting in research and monitoring (policy issues and developments across the region) as needed. Specific duties will be determined that best complement team members.

### Qualifications

- Fluency in English as the working language is required
- Strong social and environmental concern
- Team-Work Spirit
- Able to work/live in Thailand and the Mekong region
- A degree in Engineering, Energy and Development, Political Economics, Political Ecology, or related areas is desirable.
- The ideal candidate will have **2 years of prior experience in energy analysis and power sector development issues in the Mekong region preferably in an NGO context.**
- Knowledge of local languages is an advantage

Salary is commensurate with qualifications and experience.

Send a **cover letter (outlining past experiences, motivation, qualifications for the position, and any other relevant information)** and a CV by **September 27, 2010** to:

Mekong Energy and Ecology Network (MEE Net),
